

# MEAT BAND SAW

## Countertop Model

BM-24/25

### FEATURES

The band saw was designed for those who need to make smaller cuts of frozen products, bones, fish, etc, with precision and agility.

- It is made of brushed stainless steel.
- It has a 68.5 blade, super resistant and slightly flexible, with a homogeneous cut, providing the operator with agility, optimizing his time.
- It has a removable stainless steel table, which facilitates the cleaning of the equipment.
- Its innovative design makes it impossible for water to enter electrical components.
